

# Refrigerant Containing Appliance Recycling Program

**Who:** Ashland County Residents Only  
(proof of residency required)

**No** business, government, school, farm or other institution generated refrigerant containing appliances permitted.

**What:** Refrigerant Containing Appliances: full size refrigerators (no food inside), small college dorm style refrigerators (no food inside), deep freezers (no food inside), dehumidifiers, air conditioners – window style and full size house styles. **Most refrigerant is accepted such as R-12, R-134a, R-410a and R-22. R-500, R-502 and R-504 may require you to deliver to a regional recycler instead of our local recycler or may not be acceptable in this program. A tag or label should say what refrigerant your appliance contains.**

**How:** Obtain voucher from the location listed below. Issued voucher will have approved refrigerant containing appliance recycler information where you can deliver the acceptable refrigerant based appliance free of charge. Voucher good for 2 refrigerant containing appliances at a time.

**How Much:** No cost

**Where:** **Voucher Location** (One voucher issued per visit)

**Ashland County Solid Waste District (Commissioners Office)**  
110 Cottage Street  
2nd Floor  
Ashland OH 44805
